Mission Statement

Topline Beauty College is dedicated to student success by cultivating professionals through quality post-secondary education that prepares our graduates to successfully pass the State Board Examination and become successful members of the top salon or spa professions.

College Objectives

Our primary objective at Topline Beauty College is to offer each of our students with high quality teaching and training so that they may be prepared to successfully pass the state board examination and become a successful professional in the cosmetology industry. In order to fulfill our objective, we not only teach the techniques and artistry of cosmetology; we also teach poise, charm, self-reliance, business practices, and personal hygiene. We continually survey the profession to keep abreast of current trends, designs and techniques required by employers. Teachers give “individual” as well as “class” instruction. This combination helps serious students realize their goals.

Statement of Non-Discrimination

Topline Beauty College is firmly committed to providing educational programs to otherwise eligible students regardless of age, race or color, creed, ethnic origin, religion, national origin, sex, disability, or medical condition, except under special circumstances that would constitute either an occupational limitation or a limitation in participation in the program offered.

Instructional Facilities

Topline Beauty College is a spacious (7,000 sq. ft.) air-conditioned, one story modern facility with many benefits to our staff and students. We are located at 130 S. Harbor Boulevard, Santa Ana, CA 92704, where all of our educational programs are taught. Our school simulates salon conditions to help our students “learn-by-doing”, with modern equipment and a variety of supplies that help enhance our students’ product knowledge. Mirrored stations, shampoo bowls, sterilizers, manicuring tables and stools, mannequins, dryers, portable dryers and other equipment are furnished for the benefit of students. Educational classroom equipment consists of TV monitors, VCR/DVD players, visual aid, teaching machine and CD player, which are for the use of students’ education. A student lounge is provided for the students’ use for eating and breaks. Each student uses a locker to keep his/her uniform and private articles. Our students learn how to manage the reception desk, logging patrons in, answering the phone and operating the cash register. Our students learn inventory control and assist in operating our supply system. One of our main goals in institutional objective is to help the student become “salon ready”.

The college maintains a resource library for the use of our students and instructors. Students and instructors can ask Admissions Office for access during regular school hours.

Each prospective student receives a copy of school catalog and School Performance Fact Sheet before enrollment. The School Performance Fact Sheet contains the recent Completion rates, Placement rates, License examination passage rates and salary or wage information. Although general rules are reviewed during orientation, students are individually responsible for knowledge of all College rules and regulations including student conduct, attendance, make-up work, termination, refund policy etc. published in this catalog or communicated by the administration via written notices. Students must be aware that criteria for admission and/or graduation may differ depending upon the individual program. Some programs demand more stringent requirements than others. For more detailed information, contact the respective department. Each student receives a syllabus when class starts. The syllabus contains methods and practices used in each of the academic departments to facilitate the students’ learning process.

Bankruptcy

Topline Beauty College does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has never filed a petition within the preceding five years, or never had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

Health Considerations

Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

If the diploma cannot be verified, the student may be asked to provide a final high school transcript showing the dates of entrance and graduation and courses completed. If transcript is not available, the student will be required to meet the Ability-to-Benefit (ATB) requirements or take and pass GED test prior to enrollment.

B) Students lacking the High School Diploma or its equivalent, must be at least 18 years old (Compulsory school attendance in California), must have completed the 10th grade education level or its equivalent as required by the Board of Barbering & Cosmetology and pass an Ability-to-Benefit (ATB) exam prior to admission. Students admitted under this criterion, will be required to pass one of the Ability-to-Benefit tests approved by the US Department of Education administered by an independent proctor. Students subject to these criteria are referred to as students admitted under the Ability-to-Benefit criteria guidelines. Currently, our school is using the CELSA Ability-to-Benefit. The school's admissions personnel will provide applicants with additional information as to how to arrange for the Ability-to-Benefit test. All Ability-to-Benefit students must take and pass the test prior to admissions. If you do not pass the exam, re-testing is available after one week waiting period and the independent proctor will explain and provide you with the re-testing procedures.

C) Student must show English language proficiency. A passing score on either the SLE admissions test or the CELSA Ability-to-Benefit test will be acceptable in showing English language proficiency.

High School Program Completion

It is possible to complete a certificate program without earning a high school diploma. Many individuals, however, may want to obtain a high school diploma or its equivalent for personal employment reasons.

The following educational agencies may be contacted regarding obtaining the high school diploma, GED test and/or certificate of proficiency:

Transferability of Credits Earned

Students previously enrolled in an accredited school of Cosmetology may submit their academic records to Topline Beauty College for review and possible transfer of credit.

The College will either:

- 1) Accept the transfer credit based upon a review of the official transcript from an accredited institution provided those courses are part of the College's approved curriculum for that program of study, or
- 2) Administer a comprehensive exam for each course that measures and affirms the student's previous education. A score of 75% or better is required for each such exam in order to receive credit for that particular course. It may be necessary to administer a series of examinations both in theory and hands-on in order to validate the granting of credit for previous education. If a satisfactory result is achieved, the student's training period may be reduced proportionately. Students who are granted such credit may have their tuition reduced proportionately.

All out of state applicants must furnish the FORM B of credit hours from the California Board of Barbering/Cosmetology and it must be notarized from the previous school you attended.

The transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contract hours at the institution.

The college does not charge for assessment of student's previous training.

The college does not award credit for prior experiential learning.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Topline Beauty College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma you earn in _____ is also at the complete discretion of the institution to which you may seek to transfer. If the diploma that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all

of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Topline Beauty College to determine if your credit will transfer.

The college has not entered into an articulation or transfer agreement with any other college or university.

A student must prove his/her level of proficiency in either language by providing a high school diploma or its equivalent (i.e. GED, ATB etc.) from a country where the language is an official language. A foreign high school diploma must be both translated and evaluated to certify that the education is equivalent to a U. S. High School Diploma.

Cosmetology instructions are provided in English and Spanish languages.

Cosmetician and Manicurist instructions are provided in English and Vietnamese languages.

The College provides Catalog, School Performance Fact Sheet and Enrollment Agreement in English, Spanish and Vietnamese.

Students Admitted to Other Schools

Orientation classes for all students are held on every Saturday from 10am to 12pm. Students are not allowed to clock in during orientation. All new, re-enrolling or transferring students must attend orientation prior to the start of all new classes.

Freshmen Class Enrollment

The freshman curriculum for each of the courses requires a specific number of hours of classroom lectures, demonstrations, and student practice. (See Academic Programs starting on page 35.) The freshman class teaches you from the very beginning and introduces the basics for those areas that you will need to know to pass licensing examinations. From this initial introduction, you will learn all fundamentals that are the basics for your future and career. The hours spent in the freshman class are as follows: **Cosmetology 200 hrs. Cosmetician: 80 hrs. Manicurist: 50 hrs.** Topline Beauty College considers the freshman classes to be the foundation for your future.

Textbooks and Supplies

Textbooks will be issued at the beginning of the freshman class. All needed supplies and equipment will be maintained in the freshman classroom. At the beginning of the freshman training, each student will be issued a complete set of supplies with a carrying case. The kit contains the tools and supplies necessary for satisfactory completion of the course. Students are expected to maintain the kit by replacing lost or broken articles. The college is not responsible for a student's kit, either lost or stolen. Students must learn to be responsible for the tools of their trade.

Re-entry

A student who has withdrawn from Topline Beauty College may re-enter into the program she/he has withdrawn without the loss of credit hours. The college reserves the right to evaluate the previous enrollment and to verify that the student was in good standing with the college before the student is accepted for re-enrollment. If accepted by the college the student will re-enter in the same progress status as she/he left.

Graduation Requirements

When a student has completed the required theory hours and practical operations in the course he or she enrolled with a GPA of "C" (70%) or better he or she is awarded a diploma certifying his or her graduation.

All tuition, fees and charges must be paid in full prior to the release of final papers.

Graduating students are assisted in completing the necessary documents to file for the appropriate (if applicable) Barbering and Cosmetology Examination.

Tuition Policy

***STRF Fee:** Student Tuition Recovery Fund Fee is Non-Refundable. This fee is paid by the school on behalf of the student.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Collection of Tuition

Students are expected to contribute from their own family resources toward the student's cost of attendance. At the student's option, the college may accept payment in full for tuition and fees after the student has been accepted and enrolled and the date of the first-class session is disclosed on the enrollment agreement for Manicuring course.

For students enrolled in Cosmetology, Esthetician, Cosmetology Instructor Trainee and Massage Therapy courses, the college charges tuition proportionately according to the payment periods, which shall not exceed more than one term or four months of advance payment of tuition at a time.

It is the policy of this institution to request from the student whenever possible, to contribute toward their school charges by making monthly or weekly installments in accordance to their means. The entire educational expenses need to be included in planning the student's ability to meet those expenses. All school charges must be paid in full before graduation.

The Method of Payments

The school accepts cash, debit/credit card, money order, check, TRA and Rehab as payment of monies owed to the school.

Extra Instruction Charges

Students are expected to complete their training within the maximum time allowed as specified in Enrollment Agreement. If a student exceeds the 25% of the expected duration of the course beyond the expected completion date, an extra instruction charge will be assessed for the additional time necessary to complete the required hours

based on the student's scheduled hours of attendance (not the actual hours attended). An addendum to the enrollment contract will reflect the hours to complete and rate per hour as follows: Cosmetology, Barbering: \$2.25 / Hour, Cosmetician: \$2.00 / Hour, Massage Therapy: \$3.00 / Hour, Manicurist: \$1.50 / Hour

Brush-Up

Students requiring preparation for the licensing exam will be billed at the course hourly rates, depending on which license they are applying for and a registration fee of \$100.00. Students must furnish their own equipment.

The College reserves the right to change the tuition and fees and make subsequent changes without prior notice when necessary. Any change in tuition and fees will not affect students who enrolled before the change.

Right to withhold Transcripts and Grades for Non-Payment of Tuition

An institution may withhold a student's transcript or grades if the student is in default on a student tuition contract. If the course of study consists of only one course, the institution may withhold the grades or the transcript until the tuition or loan obligation is paid in full. **CEC. Section 94828 per BPPVE Reform Act January 1, 1998.**

TBC does not use collection correspondence such as banks, collection agencies, lawyers or any other third parties representing the college.

The college does not sell or discount promissory notes or contracts to third parties.

Scholarship

The College does not award any institutional scholarship, fee waiver or incentives.

Pre-Application for Licensing Exam

Students will be allowed to pre-apply for the licensing exam provided they have paid their account in full at the appropriate pre-application clock hours and provided they have maintained a 90% attendance ratio throughout their program of study and have not received any suspensions. Out of state and transfer students will not be allowed to pre-apply.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option:

1. Provide a pro-rata refund of all money paid; or
2. Provide for the prompt completion of the course at schools in the neighborhood with no additional charge.
3. The college will notify students individually of the availability of these arrangements or teach-out plans and advertise them as such.
4. Submit the list of all students who were enrolled at the time of closure including the amount of each pro-rata refund to NACCAS and dispose school records in accordance with state laws.

Withdrawal and Refund Policy

Topline Beauty College's withdrawal and refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. The college's withdrawal and refund policy complies with all federal and state regulatory agencies such as UDSE, BPPE etc.

Student's Right to Cancel

The student or legal guardian has the right to cancel the enrollment agreement and obtain a refund of charges paid except a \$100.00 non-refundable registration fee through attendance at the **first class session (first day of classes)**, or the **seventh day after enrollment (seven days from date when enrollment agreement was signed)**, whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Registrar Office. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered in person.

Determination of Withdrawal from School

The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Registrar office of your intent to withdraw. Only the Registrar office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period (14 days) and fail to inform the school that you are not withdrawing. (Unofficial withdrawal) The college monitors attendance at least once in every fourteen (14) days.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA. If a student on an approved LOA notifies the college that he or she will not be returning, the date of withdrawal determination is the earlier of the scheduled date of return from LOA or the date the student notifies the college that the student will not return.

Refund Policy

After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred (**including absences**), there will be no refund to the student.

A registration fee of \$ 100.00 and STRF fee is non-refundable item. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement within cancellation period, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. The college will perform refund calculation within 6 weeks of official withdrawal. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal determination date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Rejected Enrollment: All funds paid except a non-refundable registration fee will be returned if the student is rejected for enrollment.

Course Cancellation: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at schools in the neighborhood.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1. Provide a pro-rata refund of all money paid; or 2. Provide for the prompt completion of the course at schools in the neighborhood with no additional charge. 3. BBC will notify students individually of the availability of these arrangements or teach-out plans and advertise them as such. 4. Submit the list of all students who were enrolled at the time of closure including the amount of each pro-rata refund to all relevant agencies and dispose school records in accordance with state laws.

Hypothetical Refund Example

The following table outlines the refund due based on percentage of training completed, using **scheduled hours** (including absences), assuming you paid following (registration, STRF fees and used kit, books are non-refundable):

Total Tuition	Less Registration fee		Less Kit/books		Less STRF fee		Tuition Cost
\$4,500	\$100.00 (Non-Refundable)		\$800.00 (if used)		\$0 (Non-Refundable)		\$3,600.00
Tuition Cost	Hours in Course	Hourly charge	Tuition Paid	Hours attended	Tuition owed	Refund due	
\$3,600.00	1600 Hours	\$ 2.25/ Hour	\$3,600.00	600 Hours	\$1,350.00	\$2,250.00	

Satisfactory Academic Progress (SAP) Policy

Topline Beauty College expects all of its students to maintain Satisfactory Academic Progress (SAP) as established by this institution. Any prospective student should read and consider the SAP policy before enrollment. The college's SAP policy is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time).

The student must:

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$).

Regardless of the average level of attendance, students who have more than two consecutive weeks of absences (14 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days up to 180 days are encouraged to request a Leave-of-Absence. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the "School Rules and Regulations" section of this catalog on pages 18-20.

3. Complete the course within one and one-half times (150%) the length of the course as defined in the catalog. For example, a student who enrolls in a 400 hour, 20-week long Manicurist program must complete within 30 weeks. For the purpose of determining the maximum time frame, transfer hours from another institution that are accepted toward the student's educational program are counted both as attempted and completed hours. Students who exceed the maximum time frame will be terminated from the program.
4. Students must meet minimum academic and attendance requirements for each evaluation period of the course to be considered as making satisfactory academic progress until the next scheduled evaluation.

Evaluation Periods: SAP evaluation periods are based on actual contracted hours at this school. Students' compliance with the Satisfactory Academic Progress is assessed as follows (all hours are **scheduled hours completed** and based on actual contracted hours at the college):

Cosmetology: When a student is scheduled to complete 400, 800, 1200 and 1600 hours

Cosmetician: When a student is scheduled to complete 300 and 600 hours

Manicurist: When a student is scheduled to complete 200 and 400 hours

Massage Therapy: When a student is scheduled to complete 300 and 600 hours

Holistic Health Practitioner: When a student is scheduled to complete 400, 800 and 1000 hours

Barbering: When a student is scheduled to complete 375, 750, 1125 and 1500 hours

Advanced Manicuring: When a student is scheduled to complete 300 and 600 hours

Barber Crossover: When a student is scheduled to complete 100 and 200 hours

Cosmetology Crossover: When a student is scheduled to complete 150 and 300 hours

All SAP evaluation shall be completed within seven (7) business days following the evaluation points. Students are required to sign every SAP evaluation form and will receive a copy of every SAP evaluation form.

Grading System: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. All copies of evaluation forms are issued to students upon completion of each increment of the course hours as explained above for students' review. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a minimum of "C" (70%) cumulative grade average or practical evaluation to maintain satisfactory academic progress status. The system detailed below is the system utilized in the school.

Academic Grading

100% - 90% A.....Excellent

89% - 80% B.....Above Average

79% - 70% C.....Average

69% - 60% D.....Unsatisfactory

59% - 00 % F.....Fail

Point Grades for Practical Work

(GPA 4) 4 POINTS = A

(GPA 3) 3 POINTS = B

(GPA 2) 2 POINTS = C

(GPA 1) 1 POINTS = D

(GPA 0) 0 POINTS = F

Attendance Status: Full time: Any student scheduled to attend 24 hours or more per week are considered to be full-time students. Half time enrollment requires a minimum of 12 hours per week. Part-time enrollment is defined as more than 12 but less than 24 hours per week. Less than 12 hours per week is less than half time.

Leave of Absence: Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA)

from the program for up to 180 days in a 12-month period. The LOA must be requested in writing by the student and must be approved by the school officer. The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the officer's approval of the LOA. An institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the institution documents the reason for its decision and collects the request from the students at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident. Do not request a Leave of Absence unless you absolutely need one. To be granted an approved LOA there must be a reasonable expectation that the student will return from the LOA. A student on approved LOA that meets these criteria is not considered withdrawn. Therefore no refund calculation is required. Students on LOA's will not be assessed any additional charges of tuition. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her maximum time frame to complete the course and the period covered by the enrollment agreement (contract) extended by the same number of days taken in the leave of absence. Contract addendum will be prepared to reflect the changes, which should be initialed and signed by both the student and a school officer. Students who fail to return from a LOA will be considered withdrawn as of the last class day of attendance prior to the start of the leave and the official determination date will be the expected return date of the leave of absence. The refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and paid within 45 days of the official determination date.

Academic Probation

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation. Students who fail to meet SAP standards during a given evaluation period will be placed on satisfactory academic progress probation for one additional evaluation period, if the student appeals the negative progress determination, and if the college determines that SAP can be met by the end of the subsequent evaluation period or the college develops an academic plan for the student, if followed, will ensure that the student is able to meet the college's SAP requirement by a specific point within the maximum timeframe established for the individual student.

For the students under SAP probation, satisfactory academic progress will be reinstated only after the student has re-established SAP in accordance with the attendance and grading standards indicated in STANDARDS 1, 2, 3 & 4 of SAP standards as described on page 16 of the school catalog. Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation and will be considered making SAP.

Probationary students who fail to meet SAP by the conclusion of the probationary period will be deemed not to be making satisfactory academic progress and may be terminated at the discretion of the institution. In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply.

Appeal Procedures

Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within ten (10) days of college's determination and must describe any circumstances related to the student's academic standing, which the student believes to deserve special consideration, such as but not limited to, an injury or illness of the student, death in the family. The student can attach documentation regarding why the student failed to make SAP and what has changed in the student's situation that will allow the achievement of SAP at the next evaluation period, such as but not limited to doctor's note, death certificate etc. The administrator shall evaluate the appeal within a reasonable time frame (5-10 days) and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision within a reasonable time frame (5-10 days). The decision of the committee shall be final. All the results of the appeal procedures will be documented in the student's file. All the copies of student's request and college's decisions will be kept in the student's file.

Transfer Hours: Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted.

Re-entering Students: Students, who are re-entering after a period of withdrawal, re-enter in the same academic progress status as when they left.

Course Incompleteness: Course incompleteness, repetitions and non-credit remedial course are not applicable to this institution's form of instruction. Thus, course incompletes, repetition and non-credit remedial courses have no effect upon the college's SAP standards.

School Rules and Regulations

Diplomas and Certificates

Upon satisfactory completion of the required course hours, and the student has maintained a satisfactory grade on all subjects covered, a diploma will be given to the student. Also, a proof of Training Record will be issued. This record will then become part of the application for examination for your State of California License.

Neither Diploma nor Certificate of Completion will be issued unless all monies have been paid in full.

Attendance, Tardy and Make-up Policies

- Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement.
- An absence may be excused by calling-in the same day prior to the beginning of class.
- Frequent tardiness and/or absences are cause for disciplinary action such as probation or dismissal.
- All lesson assignments which were missed during any period of absence must be made up. Make-up work will not be permitted during class hours. A record of make-up work is maintained for each student who is required to perform this type of work.
- Students with fourteen (14) consecutive days of absences, in any program of study, will be withdrawn by the College.

Student Clock Hour Policy

The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven (7) minutes to clock in and receive credit for the quarter (1/4) hour. This seven-minute period applies to starting of the class day. A thirty (30) minute lunch break shall be taken when a student attends a 6-hour class day or more. If you are attending less than a 6-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom. At the completion of the day, your time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly time card. The time card must be signed by the student and the instructor daily. **Instructors may not sign a student in or out and if a student does not clock in or out at lunch, 30 minutes for lunch will be deducted.**

Time cards reflect the student's daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. The time cards are the property of the school and must remain in the school at all times. Time cards must be maintained in their entirety for 6 years by the school. After clocking in you are required to maintain applied effort. Personal grooming, leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

Time Card Credit

The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student. Note the following time frame the Program gives for each operation: **Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour, Hair cut = 1/2 to 1 hour.** Using the above, the Board would understandably not consider a student capable of performing more than 3 permanent waves per day.

Student Conduct

As adults, it is expected that students will conduct themselves in a mature and professional manner, giving the proper respect and courtesy to his/her classmates, the clients, and the staff of the school. Disruptions of class will not be tolerated at any time. Any such conduct will result in termination from the training program in which he/she is enrolled. A student dismissed for misconduct will be permitted to re-enroll and resume training **only at the discretion of the school.**

Other Rules and Regulations

Family Educational Rights and Privacy Act (FERPA)

All information in the student files would be available to any governing state agency, accrediting agency and federal agency during the process of reviewing the school's normal approvals, accreditations, eligibilities, and other matters conducted by those agencies without the specific consent of the student and/or parents.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

School officials with legitimate educational interest;
Other schools to which a student is transferring;
Specified officials for audit or evaluation purposes;
Appropriate parties in connection with financial aid to a student;
Organizations conducting certain studies for or on behalf of the school;
Accrediting organizations;
To comply with a judicial order or lawfully issued subpoena;
Appropriate officials in cases of health and safety emergencies; and
State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Student Tuition Recovery Fund (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be repaid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Each qualifying institution shall collect an assessment of zero dollars (\$0) per one thousand dollars (\$1,000) of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of one thousand dollars (\$1,000) or less, the assessment is zero dollars (\$0).
